Dear Sir:

This Response, filed in connection with the above-referenced application, is in reply to the Examiner's request mailed October 7, 2008. The Examiner has indicated that the sequence listing submitted in paper and computer readable formats with the application filed November 19, 2001 was not accompanied by the required statement under 37 C.F.R. §1.821. Prior to the issuance of a Notice of Allowance, the Examiner requests Applicants to submit said statement to complete the record. Therefore, Applicants submit herewith a statement under 37 C.F.R. §1.821 indicating that the information recorded in the enclosed computer readable form is identical to the paper copy of the Sequence Listing filed.

Also enclosed herewith is a Revocation and Power of Attorney and Change of Address . Consideration and entry of these documents is respectfully requested.

The present application is believed to be in condition for issuance, and an early action to that effect is respectfully solicited. Should there be any further issues outstanding, the Examiner is invited to contact the undersigned attorney at the telephone number shown below.
